**Att.:** *Mr. Christopher S. Baxter*

Dear Mr. Baxter,

As we have never dealt with you, we consider you have to clarify your business relationship with Mr. Chavdarov form B&R Engineering.

I would appreciate it if you stop sending us your bullshit, but if you decide to continue to threaten us, please, do it only by e-mail in order to keep the nature.

Yours sincerely,

D. Minchev  
Managing Director  
Spring Factory Co.
